2024-25 Business Partner Program

Thank you for your interest in partnering with the Silicon Valley Chapter of the Association of Legal Administrators!

We support leaders in the legal industry, representing over 9,000 legal management professionals worldwide and approximately 60 members locally. We provide educational programs, networking opportunities, and other resources to members. We work closely with business partners to develop long-term relationships across firms and geographies.

As a valued business partner, we want to help you promote your products and services to our members because the right products and services are key to *our* success in managing our firms. When a member looks for a resource, or asks for a recommendation, our Business Partner listing is often the first point of contact.

Our goal is to foster a mutually beneficial, long-term relationship with our Business Partners. Our Business Partners make our member firms successful by providing our members legal industry expertise and services, and the visibility that our sponsorship program provides to our sponsors creates new business opportunities.

The Board members of the Silicon Valley Chapter continuously evaluate the Business Partner Program to identify and implement improvements.

Our program runs from August 1, 2024 through July 31, 2025. In order to receive the full sponsorship level benefits, we highly encourage you to submit payment by **July 31**.

We appreciate your interest in becoming a business partner with ALA Silicon Valley Chapter. For more information, please visit www.alasvc.org and select [Business Partners](#).

If you have any questions or comments about our program, please feel free to contact us.
